Client Notes

1. Hallway / Landing

Desires:

- Add character and colour to the hall
- Wants a boho earthy feel to the space
- Make the hallway an elegant welcoming entrance with a wow factor

Hallway / Landing

Walls:

Greige 02: Has delicate understated green tones with a touch of black pigment which bring a slightly down to earth and elegant feel to your hall. This warm hue will inject warmth and light making it the perfect hue for a simple yet statement wall colour.

Ceiling & Skirting:

White 02: Cool white with the lightest touch of grey allows the natural light to flood the space and bounce around the hall.

WHITE 02

Matt

Accent wall:

Brown 01: This warm and charming hue with its rich earthy tones will create the most charismatic and elegance of entrance.

BROWN 01

Matt

Woodwork:

Greige 02: Using one colour for the walls and woodwork creates a soothing environment as the eye does not stop to register a second colour.

Modern paint for modern life.

Our Finishes.

Matt

A hard-wearing, wipeable and easy-clean soft-sheen matt finish designed for painting interior surfaces from ceilings to walls to woodwork, including in bathrooms & kitchens. If you're painting in an area that is likely to get wet a lot (e.g. around the shower tiles) then we would recommend our eggshell paint.

Eggshell

A hard-wearing, wipeable and easy-clean mid-sheen eggshell perfect for interior high traffic or wet areas such as kitchens or bathrooms. Ideal for woodwork or if you just want a beautiful satin finish.
